There is no change in the nature of business of the Company.

3. DIVIDEND:

Your Directors do not recommend any dividend for the year.

4. SHARE CAPITAL:

There is no change in the Share Capital of the Company in the current Financial Year.

5. OPERATIONS:

The Holding Company, Alfred Herbert (India) Limited had infused funds to provide support but the performance of the Company worsened due to Covid 19 pandemic as the demand of the Company's products was significantly affected. In the absence of the required volume of business, manufacturing operations of the Company were discontinued. The orders against spare parts and after sales service wherever applicable have been continued to be executed through third party arrangements.

6. RESERVES:

The Company has not transferred any amount to any Reserve Account.

7. DIRECTORS AND KEY MANAGERIAL PERSONNEL:

Pursuant to the provisions of the Companies Act, 2013, Mr. S. S. Jain, Director, retires by rotation under the Articles of Association of the Company and being eligible, offers himself for re-appointment.

Pursuant to the provisions of section 203 of the Act, Company is not required to appoint Key Managerial Personnel as on March 31, 2023.

8. MEETING OF THE BOARD

During the year five meetings of the Board of Directors were convened and held on 28.05.2022, 11.08.2022, 11.11.2022, 08.02.2023 and 29.03.2023.

9. RISK MANAGEMENT POLICY

Your Directors opine the Company's business risk include Cyclical Nature of Business, Non availability of certain Technologies, Cheaper imports including those of second hand machinery and lack of comprehensive Research & Development Facilities along with the vulnerability of capital goods industry due to changes in the Pandemic induced environment .

Also the availability of skilled labour at a reasonable and affordable cost is becoming a major bottleneck due to the current location of the manufacturing division as the whole area has become a well developed IT Area. This can be mitigated by evaluating options to deal with the same on a long terms basis. The Directors and the Key Managerial Personnel have evolved the risk policy and are addressing the same periodically.

The Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively. The term "Internal Financial Controls" means the policies and procedures adopted the Company for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

10. SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES:

As on 31st March 2023 the Company does not have any Subsidiary/Associate Company.

11. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, RESEARCH AND DEVELOPMENT AND FOREIGN EXCHANGE EARNINGS AND OUTGO

We have surrendered excess Md Of 200KVA to the department and reduced Bd charges and monthly power bill, The details are as disclosed in the Annexure as Attached.

12. AUDITORS AND AUDITOR'S REPORT:

M/s. ALPS & Co. Chartered Accountants (Firm Registration No. FRN 313132E), Kolkata were appointed as the Statutory Auditors of the Company at the 34th Annual General Meeting held on Monday, 25th July, 2022 for a term of 5 (five) years from the conclusion of the 34th Annual General Meeting till the conclusion of 39th Annual General Meeting.

The Auditors' Report for fiscal year 2023 does not contain any qualification, reservation or adverse remark. The Report is enclosed with the financial statements in this Annual Report.

During the year under review, the Statutory Auditors have not reported any instances of frauds committed in the Company by its Officers or Employees under Section 143(12) of the Act, details of which needs to be mentioned in Director's Report.

INDEPENDENT AUDITORS' REPORT**The Members of ALFRED HERBERT LIMITED****Report on the Audit of the Financial Statements****OPINION**

We have audited the accompanying financial statements of **ALFRED HERBERT LIMITED** (hereinafter referred to as "the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, (hereinafter referred to as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (hereinafter referred to as "SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty Related to Going Concern

We draw attention to note no. to the Financial Statements which describes the economic and social consequences/disruption the entity is encountering as a result of COVID-19 and going concern assumption. The company's current liabilities exceeded its current assets by Rs. 417.28 Lakhs as on that date. Further the Company has disposed significant portion of its property, plant & equipment (PPE) during the year. The Holding company has so far infused Rs. 431 Lakhs to provide financial support by way of loan to the company. This includes repayment of dues of the Bank towards working capital facilities availed by the company. Operations of the Company have been severely affected due to loss of production coupled with insufficient orders making it unviable to operate the plant efficiently with the required economies of scale on a sustainable basis and in absence of required volumes etc. there is significant uncertainty vis-à-vis sustained viability of the company on an independent basis. The management states that the holding company's support in the future whenever considered necessary financial support as done in the past for carrying out operations in future and that no decision arrived as at date to close the operations of the company. However, we are unable to comment on the continuity of the entity in foreseeable future on an independent basis considering the facts and figures mentioned in the first part of this paragraph.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report with respect to the above.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards notified under section 133 of the Act read with relevant rules, as amended from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 (hereinafter referred to as "the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards notified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time;

- e) On the basis of the written representations received from the Directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act; and
 - f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to the financial statements of the Company.
3. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended from time to time), in our opinion and to the best of our information and according to the explanations given to us:
- i. Pending litigations (other than those already recognized in the financial statements) having material impact on the financial position of the company have been disclosed in the financial statements as required in terms of accounting standards and provisions of the Act- refer note no. 28(a) to the financial statements;

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in point (f) of paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of M/S ALFRED HERBERT LIMITED)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (hereinafter referred to as "the Act")

We have audited the internal financial controls with reference to the financial statements of ALFRED HERBERT LIMITED (hereinafter referred to as "the Company") as at March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (hereinafter referred to as "the Guidance Note") issued by the Institute of Chartered Accountants of India (hereinafter referred to as "the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing notified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards on Auditing and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail,

accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

Alfred Herbert Limited (the "Company") is a company incorporated in India having the registered office at 13/3, Strand Road, Kolkata 700 001, engaged in manufacturing and selling industrial machines.

2 Statement of Compliance with Ind AS and Recent Accounting Pronouncements

2.1 These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") prescribed under Section 13 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

Ind ASs issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements approved for issue by the Board of Directors have been considered in preparing these financial statements.

Accounting policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Application of new and revised standards

Effective April 01, 2022, the Company has adopted the amendments vide Companies (Indian Accounting Standards) Amendment Rules, 2022 notifying amendment to existing Indian Accounting Standards. These amendments to the extent relevant to the Company's operations were relating to Ind AS 16 "Property, Plant and Equipment" which clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in profit or loss but deducted from the directly attributable costs considered as part of cost of an item of Property, plant and equipment and Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets" which specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

There were other amendments in various Indian Accounting Standards including Ind AS 101 "First-time Adoption of Indian Accounting Standards", Ind AS 103 "Business Combinations", Ind AS 109 "Financial Instruments", and Ind AS 41 "Agriculture" which have not been listed herein above since these are either not material or relevant to the Company.

Revision in these standards did not have any material impact on the profit/ loss and earnings per share for the year.

2.3 Recent Accounting Pronouncements

Standards issued but not yet effective

On March 31, 2023, Ministry of Corporate Affairs (MCA) has made certain amendments to existing Indian Accounting Standards vide Companies (Indian Accounting Standards) Amendment Rules, 2023. These amendments to the extent relevant to the Company's operations include amendment to Ind AS 1 "Presentation of Financial Statements" which requires the entities to disclose their material accounting policies rather than their significant accounting policies, Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors" which has introduced a definition of 'accounting estimates' and include amendments to help entities distinguish changes in accounting policies from changes in accounting estimates. Further, consequential amendments with respect to the concept of material accounting policies have also been made in Ind AS 107 "Financial Instruments: Disclosures" and Ind AS 34 "Interim Financial Reporting".

There are other amendments in various standards including Ind AS 101 "First-time Adoption of Indian Accounting Standards", Ind AS 103 "Business Combinations", Ind AS 109 "Financial Instruments", Ind AS 115 "Revenue from Contracts with Customers", Ind AS 12 "Income Taxes" which has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences and Ind AS 102 "Share-based Payment" which have not been listed herein above since these are either not material or relevant to the Company.

Even though the Company will evaluate the impact of above, these amendments as such are not vital in nature and are not likely to have material impact on the financial statements of the Company.

3 Significant Accounting Policies

3.1 Basis of Preparation

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 "Presentation of Financial Statements" and Schedule III to the Companies Act, 2013.

The Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimals of Lakhs.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable input valuation adjustments and fair value hierarchy under which the valuation should be classified.

3.2 Property Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

Depreciation

Depreciation on PPE is provided as per Schedule II of the Companies Act, 2013 on straight line method.

Depreciation on Property, Plant and Equipment commences when the assets are ready for their intended use.

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

3.3 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes less accumulated amount of amortization and impairment losses. Such assets, are amortised over a period of five years and assessed for impairment whenever there is an indication that the same.

Amortisation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

3.4 Derecognition of Tangible and Intangible Assets

An item of Tangible and Intangible Asset is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Tangible and Intangible Asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate an impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of asset's fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period, impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

3.6 Inventories

Inventories are valued at lower of cost or net realisable value. Cost of the inventories is generally ascertained on weighted average basis. Materials and other supplies held for use in the production of inventories are not written down below cost if the finished product in which they will be incorporated are expected to be sold at or above cost. Cost for the purpose of valuation of work-in-progress and stock-in-trade includes materials, labour and appropriate portion of production overheads.

3.7 Foreign Currency Transactions

Transactions in foreign currencies are accounted for at the exchange rate prevailing on the date of the transaction. Foreign currency assets and liabilities are translated at exchange rates prevailing at the year end. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transaction during the year are recognized in the Statement of Profit and Loss, except in the cases where any fixed asset acquired from a country outside India, in such case, these are adjusted to the cost of respective fixed assets.

3.8 Financial Assets and Financial Liabilities

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit or Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to a insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income, as applicable in each case, are classified as Fair Value-through Profit and loss. These are recognised at fair value and changes therein are recognized in the Statement of Profit and Loss.

(vi) Impairment of financial assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12 month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

(vii) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in Statement of Profit and Loss.

On derecognition of assets measured at FVTOCI (except for equity instruments designated as FVTOCI) the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

3.9 Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.10 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognized but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

3.11 Employee Benefits

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which the related service is rendered.

(i) Gratuity (Defined Benefit Plan) : The liability in respect of Gratuity has been determined by actuarial valuation.

(ii) Leave Encashment : The liability in respect of Leave Encashment is accounted for on the basis of actuarial valuation.

(iii) Provident Fund (Defined Contribution Scheme) : Accounted for on accrual basis based on the monthly contribution made to the appropriate authorities.

3.12 Revenue Recognition**Revenue from operations**

Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognised when control over a product or service has been transferred and/ or products/ services are delivered/ provided to the customers. The delivery occurs when the product has been shipped or delivered to the specific location as the case may be and the customer has either accepted the products in accordance with contract or the Company has sufficient evidence that all the criteria for acceptance has been satisfied. Returns, discounts and rebates collected, if any, are deducted from sales.

Other Income

Interest has been accounted using effective interest rate method. Dividend is accounted for as and when the right to receive the same is established.

3.13 Borrowing Costs

Borrowing cost comprises of interest paid and other costs in connection with the borrowing of the funds. All borrowing costs are recognised in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property, Plant and Equipment which are capitalised to the cost of related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale.

3.14 Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

3.15 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

4 Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

4.1 Depreciation and impairment on property, plant and equipment.

Property, Plant and Equipment are depreciated on straight-line basis over the estimated useful lives in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible Assets whenever there is objective evidence that the assets are impaired. In such situation Asset's recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

4.2 Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Deferred tax assets are recognised for unused losses (carry forward of prior years' losses) and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profit together with future tax planning strategies.

4.3 Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of a liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigation against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Total financial liabilities	436.30	436.30	527.74	527.74

(B) Fair valuation techniques

The fair value of the financial assets and financial liabilities are included at an amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and cash equivalents, trade receivables, trade payables and other current financial liabilities approximate their carrying amounts due to the short-term maturities of these instruments.

33 Financial risk management objectives and policies

The Company's principal financial liabilities includes trade payables and other financial liabilities and principal financial assets include trade receivables, cash and cash equivalents and other financial assets.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management under the supervision of Board of Directors oversees the management of these risks. The Company's financial risks are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

(a) Market risk

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes trade receivables and trade payables.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have material exposure to the risk of changes in foreign exchange rates.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in the interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

(iii) Other price risk

The price risk of the financial instrument to which the company is exposed is not expected to be material.

(b) Credit risk

Credit risk is the risk that a customer or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of amounts outstanding, taking into account the financial condition, current economic trends and ageing of amounts receivable.

The carrying amount of respective financial assets recognised in the financial statements, net of impairment losses, if any, represent the Company's maximum exposure to credit risk.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. Receivables are reviewed/ evaluated periodically by the management and appropriate provisions are made to the extent recovery thereagainst has been considered to be remote.

The credit risk on cash and cash equivalents are insignificant as counterparties are banks with high credit ratings.

(c) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The Company relies on internal accruals and funding from Holding company to meet its fund requirement.

Liquidity risk tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows as at balance sheet date:
