Note:

The above Cash flow statement has been prepared under the 'Indirect Method' as set out in the Indian Accounting Standard 7 "Statement of Cash Flows"

Notes:

- 3 The above unaudited standalone financial results for the quarter and half year ended 30th September, 2021, alongwith notes thereupon including Standalone Statement of Assets and Liabilities and Standalone Statement of Cash Flows as given in Note 1 and Note 2 respectively, prepared in accordance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time) have been reviewed by the Audit Committee and thereafter, approved by the Board of Directors and were taken on record at their meetings held on 13th November, 2021. The Statutory Auditors have carried out limited review on the above unaudited financial results for the quarter and half year ended 30th September, 2021.
- 4 Net gain on fair value changes includes ₹ 3.06 Lakhs and ₹ 3.99 Lakhs for the quarter and half year ended 30th September, 2021 respectively (₹ 0.93 Lakhs for the quarter ended 30th June, 2021, ₹ 15.46 Lakhs and ₹ 16.50 Lakhs for the quarter and half year ended 30th September, 2020 respectively and ₹ 41.81 Lakhs for the year ended 31st March, 2021) as Net gain on sale of Investment in mutual funds.
- Fair value changes on equity instruments included in Other Comprehensive Income includes ₹ Nil and ₹ Nil for the quarter and half year ended 30th September, 2021 respectively (₹ Nil for the quarter ended 30th June, 2021, ₹ 3.75 lakhs and ₹ 3.75 lakhs for the quarter and half year ended 30th September, 2020 respectively and ₹ 166.77 Lakhs for the year ended 31st March, 2021) as Net gain/(loss) on sale of Investment in equity shares.
- 5 The Company operates mainly in one business segment viz. Realty, Investments and Other non-banking financial activities and therefore the Segment reporting in accordance with Indian Accounting Standard 108 is not applicable to the company.
- 6 The Outbreak of COVID - 19 and resultant lockdowns declared by Central and/or State Governments of India have impacted business and earnings prospects, in case of Alfred Herbert Limited (AHL), the wholly owned subsidiary involved in the manufacturing of machinery for the Rubber and Tyre industries. Operations have been severely affected due to loss of production coupled with insufficient orders making it unviable to operate the plant efficiently with the required economies of scale on a sustainable basis. Production in the plant of the said subsidiary has been suspended. Even though supplies against pending orders for machines and related spares were made through third party operations and procurements, accumulated losses of AHL as on 30th September, 2021 continued to be in excess of its paid up share capital and reserves. As a matter of prudence, the company's investment in AHL was therefore fully provided for in the previous year on account of impairment in the value thereof. The company has cumulatively infused Rs 531.89 lakhs to provide financial support by way of loan. This includes repayment of dues of the Bank towards working capital facilities provided to the said subsidiary. In the given situation and absence of required volumes etc., there is significant uncertainty vis-a-vis sustained viability of the said subsidiary with respect to it's current core operations on an independent basis.
- Pending final decision on the matter and review of the alternatives for continuing operations including through third party sources, accounts of AHL have been continued to be prepared on a going concern basis during the period.
- Barring the above, Investments and other related operations are not affected materially. Based on indicators available from internal and external sources of current and future economic conditions, the Company expects to recover the carrying amount of financial and non-financial assets barring any unforeseen circumstances. The Company will continue to monitor any material changes to the future economic conditions.
- 7 Exceptional items for the year ended 31st March, 2021 relates to the provision of Rs 90.00 lakhs made in respect of the investment in equity share capital of AHL. Moreover, financial support of Rs. 531.89 lakhs provided to the said subsidiary by way of loan for meeting various liabilities has also been considered doubtful and remain fully provided for.
- The above provisions have been made in view of prudential guidelines of the Reserve Bank of India in this respect, considering the current value of the assets and amounts expected to be realised thereagainst. The prospects of recovery and revival of the subsidiary are being examined and required adjustment in this respect will be carried out as and when determined.
- 8 Previous periods' figures have been regrouped/rearranged wherever necessary to make them comparable with those of current periods' figures.

- 7 The Outbreak of COVID - 19 and resultant lockdowns declared by Central and/or State Governments of India have impacted business and earnings prospects, in case of Alfred Herbert Limited (AHL), the wholly owned subsidiary of the Parent company involved in the manufacturing of machinery for the Rubber and Tyre industries. Operations have been severely affected due to loss of production coupled with insufficient orders making it unviable to operate the plant efficiently with the required economies of scale on a sustainable basis. Production in the plant of the said subsidiary has been suspended. Even though supplies against pending orders for machines and related spares were made through third party operations and procurements, accumulated losses of AHL as on 30th September, 2021 continued to be in excess of its paid up share capital and reserves. The Parent company has cumulatively infused Rs 531.89 lakhs to provide financial support by way of loan. This includes repayment of dues of the Bank towards working capital facilities provided to the said subsidiary. In the given situation and absence of required volumes etc., there is significant uncertainty vis-a-vis sustained viability of the said subsidiary with respect to it's current core operations on an independent basis.
- Pending final decision on the matter and review of the alternatives for continuing operations including through third party sources, accounts of AHL have been continued to be prepared on a going concern basis during the period.
- Barring the above, Investments and other related operations are not affected materially. Based on indicators available from internal and external sources of current and future economic conditions, the Group expects to recover the carrying amount of financial and non-financial assets barring any unforeseen circumstances. The Group will continue to monitor any material changes to the future economic conditions.
- 8 Previous periods' figures have been regrouped/rearranged wherever necessary to make them comparable with those of current periods' figures.
