Notes to the Balance Sheet and Statement of Profit & Loss

1. SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of financial statements

The Financial Statements are prepared on accrual basis under the historical cost convention (except where impairment is made and revaluation is carried out) on the basis of going concern and in accordance with the provisions of the Companies Act, 2013 ('the Act') and Accounting Standards specified under section 133 of 'the Act' read with Rule 7 of the Companies (Accounts) Rules, 2014 and accounting principles generally accepted in India. Accounting policies unless specifically stated to be otherwise, are consistent and are in consonance with generally accepted accounting principles.

Use of Estimates

In preparing the Financial Statements in conformity with accounting principles generally accepted in India, Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of Financial Statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period the same is determined.

Fixed Assets

Tangible Fixed Assets other than leasehold building and those, which have been revalued, are stated at cost net of impairment loss, if any, less depreciation/amortisation. Cost represents expenses relating to acquisition and installation of Fixed Assets are capitalised till the assets are put to use.
